TEFLON®

COATINGS

To enhance product performance

Donwell Company is a licensed DuPont applicator for all TEFLON® Coatings. These coatings can improve the performance of your parts by providing them with one or more beneficial properties.

Low coefficient of friction

Chemical resistance

Non-stick

Teflon — DuPont Licensed Industrial Applicator

We coat both small and large parts to close tolerances in quantities from 1 to 1,000,000. Call Donwell for custom TEFLON® coating services to meet your specifications.
