## RUST-EATING PENETRANT

Free All Deep Penetrating Oil quickly dissolves rust and corrosion, thereby removing the need for torching, drilling, hammering and chiseling to free virtually any frozen fastener or other part. Independent testing has showed corroded bolts treated with Free All required 44 percent less break-away torque

than PB B'laster, 36 percent less than WD-40 and 31 percent less than Liquid Wrench.

## EXACT FIT WIPER BLADE

Like all other Exact Fit blades, the new 10" blade is pre-assembled so its receptor exactly matches the hook arms of these vehicle makes, requiring no adaptors or complicated instructions for installation. The Exact Fit line of wiper blades was designed with the consumer in mind, providing a "click-on easy" solution for do-it-yourself wiper replacement.
